

### Mondéco Classic at Lakenheath Air Base, Suffolk

#### The Project

Lakenheath Air Base Supermarket for the US Air Force.

#### The Requirement

To create an inspirational environment for military personnel and their families to enjoy buying their groceries and provisions. The existing tiled floor was in desperate need of replacement. The client required a hygienic, hardwearing, attractive, anti-slip floor finish.

#### The Solution

Mondéco antimicrobial seamless terrazzo was installed. Mondéco is aesthetically pleasing and extremely durable. The colour Athena is from the Mondéco Classic range and was installed under a fast track refurbishment operation in August 2001.
